Day 1 “Dinner with GURU’s” was the interaction of the delegates with our Guest Speaker, which was an action-packed session followed by formal dinner with like-minded people exchanging their thoughts. Day 2 had the main event which was fruitfully accomplished by Inaugural function by felicitating our respected Guest speaker and Dignitaries on the dias followed by a great learning session. Post lunch we witnessed a Hands-on demonstration on the installation of Forsus fatigue resistance device

This knowledge packed session was overwhelmed by a small Trade fair that included Nexus Orthodontics (Mumbai); Koden Orthodontics (Bangalore); Anabond (Chennai) & Pearl Orthodontics (Nasik). We were happy to have them.

It was indeed a great educational program with enthusiastic participation from Dignitaries and Delegates of different institutes. It was wonderful execution till Conclusion

The whole and sole credit for this successful event goes to Team Genex Ortho 2018 : Dr. Amol Verulkar (HOD); Our staff members Dr. Rinku Nathani, Dr. Swapnil Wankhade, Dr. Jimmy Sangtani, Dr. Ratnadip Lohakpure and PG students of our department.

This event was mainly organised for post graduate students, to learn and understand the concept of fixed functional appliances, which proved to be an informative one.

We really thank you so much Sir for Approving and permitting us for this Grand event!!!
